

STEVE SIMS

Do you know anyone that's worked with Sir Elton John or Elon Musk, sent people down to see the wreck of the Titanic on the sea bed or closed museums in Florence for a private dinner party and then had Andre Bocelli serenade them while they eat their pasta - you do now

"The Real Life Wizard of Oz" by Forbes and Entrepreneur Magazine, Steve Sims is 2 time best selling author with "Bluefishing - The Art of Making Things Happen" & "Go For Stupid - The Art of Achieving Ridiculous Goals", sought-after consultant and a speaker at a variety of networks, groups and associations as well as the Pentagon and Harvard -twice!

"STEVE IS THE MODERN DAY WIZARD OF OZ"

- Forbes Magazine

When it comes to getting things done Steve Sims is your man, he founded the world's largest and most successful experiential concierge firm for millionaires and billionaires worldwide.

Forbes Magazine called Steve "The Modern Day Wizard of Oz" but talking to him you wouldn't think that. Steve grew up a bricklayer from London and despite his success, is still very much rooted to the ground. Steve believes that relationships are everything. "I'M always looking for the win/win."

From **Harvard** to the **Pentagon** Steve has graced some of the most iconic stages in and outside of America on topics like:

- The ROI on relationships
- How to create an experience rather than a sale
- The Chug Test
- Create a win win in every communication
- Getting to talk to anyone and he means ANYONE
- Learn to solve NOT sell
